

**I am on AMGEVITA treatment**

**It is important that you carry this card with you at all times and:**

- Show this to any healthcare provider who may be treating you.
- Ensure your carers know to give this to a healthcare provider if you become ill.
- Contact your healthcare provider if you are feeling unwell.

**My name:** \_\_\_\_\_

**My phone number:** \_\_\_\_\_

## Medical Alert: Attention Healthcare Professionals

- This person is taking an immunosuppressive therapy called AMGEVITA® (adalimumab). AMGEVITA is used to treat a range of rheumatology, dermatology and gastroenterology conditions.
- AMGEVITA may increase the risk of serious infection or cause an allergic reaction. If this person develops a fever, infection or has an allergic reaction, or if you have any concerns, please call their specialist or nurse on the contact number below.
- It is recommended that live vaccines not be given concurrently with AMGEVITA.

### Healthcare Provider's Contact Information:

Name: \_\_\_\_\_

Practice: \_\_\_\_\_

Phone: \_\_\_\_\_

For further information see full Data Sheet available at [www.medsafe.govt.nz](http://www.medsafe.govt.nz) or Amgen Medical Information on **0800 443 885** or email [medinfo.JAPAC@amgen.com](mailto:medinfo.JAPAC@amgen.com)

Contact your healthcare provider (this may be your doctor, specialist, or nurse) if you have any questions about AMGEVITA or go to [www.medsafe.govt.nz](http://www.medsafe.govt.nz) to view the AMGEVITA Consumer Medicine Information (CMI).

To report an adverse event or product complaint involving AMGEVITA, please contact Amgen Medical Information on **0800 443 885** or email [medinfo.JAPAC@amgen.com](mailto:medinfo.JAPAC@amgen.com)
